Winter Challenge Rally

16 February 2008

The **Winter Challenge Rally** will be an all night winter rally run regardless of weather. Although no car-breaking roads will be used, the majority of the roads chosen are rural, unpaved roads which will undoubtedly be snow and ice covered.

The **Winter Challenge Rally** will be broken into 3 sections with each section having its own format and challenges.

Section I: A TSD rally, lightly trapped; some TSD experience necessary; a good introduction to a challenging rally and winter driving.

Section II: A TSD Map rally with more challenging speeds. Not recommended to drivers inexperienced in serious winter driving.

Section III: A TSD brisk winter rally in the tradition of past Buffum rallies.

The Winter Challenge Rally will be included in several different rally series or Championships:

New England Winter: Sections I & II: This rally is part of the New England Rally Championship & the NEDiv Series. NER Classes A and S.

Vermont Winter: Section II & III: This rally is part of the New England Rally Championship & the NEDiv Series. NER Classes A and S.

General:

The Rally will headquarter at the Day's Inn, 173 Main St, Barre, VT 05641 [802-476-6678] (Note this date is President's Weekend and rooms go fast. Reserve Early!

NOTE: The SCCA now requires all competitors to be members of SCCA. The weekend membership fee is included in the surcharge for non-members. Only the form must be completed.

The rally committee reserves the right to restrict entries based on experience.

The rally will have a limited entry.

In an attempt to even the competition, the VT Winter rally will have a time adjustment system for 4 WD entrants.

There will also be an award (the 'JB-Best Driver' award) for the best overall placing in the combined 3 sections.
