

Wolf Chase RallyCross

Saturday, 6 December 2008

The Wolf has led me on a merry chase all fall. The Robert's Farm where we have been the last three years has new owner. The horse pasture is all corn now. Those who came in 2007, know corn fields are not smooth. The Wolf was sighted at the Fuller Farm across the road from CBRT's home. Before he could be corralled, he got away. The Wolf has finally been run down at the Barker Farm in Proctorsville, Vermont.
