A New Beginning SCCA Regional Race

The event was held at Palmer Motorsports Park. All racing was on the first track to be built at the facility, which is "Whiskey Hill Raceway" a 2.30 mile course. The event occurred on August 21st through the 23rd of 2015. The regional races consisted of eight (8) race groups. The practice day was held under the sanction number of 15-PD-3965-S. The race on Saturday was run under the sanction of 15-R-3636-S. The races on Sunday (with the last race being the contingency) were run under 15-R-3637-S.

On Friday, the regional groups were combined in to four practice day groups. The groups ran four sessions throughout the day in mixed conditions. On Saturday, the event started with a true qualifying session of 15 minutes. Each group had a session before lunch. After lunch, the contingency races of 14 minutes plus a lap were run. The fastest times set in this race set the grid for Sunday morning's race. On Sunday, each race group had a morning race of 12 minutes plus a lap. The finish position of the morning race set the grid for the contingency races in the afternoon. There was a lunch break before afternoon races , which were also 12 minutes plus a lap.

Many thanks to all of the volunteers at the event, but especially to the timing and scoring crew. Also, a very large thank you to New England Region for pushing forward to get a new race track in central Massachusetts! The facility may not be complete yet, but the track is something truly special. Of the timing and scoring crew, each did an excellent job being that we were split into three groups. There were 4 workers in timing on Friday, 9 on Saturday, and 6 on Sunday. See you at the track!
