## Double Your Pleasure NDCS NERRC NARRC Regional Races SCCA Regional Races

The event was held at the 1.5 mile Lime Rock Classic course of the Lime Rock Park in Lakeville, CT on June 19 & 20, 2015. The Regional Races consisted of eight (8) race groups. The sanction number for the Regional Race is 15-RQ-3630-S. The sanction number for the Pro-IT and the Restricted Regional is 10-R-978-S.

Two qualifying sessions for each race group in the Regional races and the Pro-IT was held Friday. The Pro-IT race was run after qualifying on Saturday. Races were run on Saturday afternoon. Qualifying and Race for the Restricted Regional was held on Sunday.

The weather was generally Nice but some race groups had a sudden torrential rain.

During the off season, Lime Rock remeasured the track and came up with 1.5 miles. For years they have maintained it was 1.53 miles. However both IMSA and SCCA have measured the track over the years and felt 1.5 miles was the correct length. While we have corrected the stated track length, no new track records were established as the actual track itself did not change..

In order to even out the entries in groups, some classes were moved to different groups. Notably, STU and T3 were moved to Group 2.

In Group 5, #08 Tallman withdrew after the first session with mechanical issues. #80 Betterly, who was on track in the first session wearing "08" asked to assume the number "08". Mr. Tallman confirmed that he would not be racing any further sessions so he was changed to 08w (w=withdrew) and Mr. Betterly shows up as #08 in the remaining three sessions.

The races ran close to schedule. The 6 Regional races were 15 laps or 18 minute 30 laps as published. The Pro-IT was 30 laps as published. The Restricted Regional was 45 min. as published.

Timing and Scoring ran a crew of 11 on Friday, , and. 10 Saturday.

Special recognition should go to Lenore Panas who was the Distribution Chief and did a well organized and timely job. And also to Barb Killmer who charted all 16 races on Saturday.
