FROM THE RE:

I recently spent five hours in a storage unit somewhere in New Hampshire, sorting through the history of our club. Or rather, the record of our history, which is slightly different. Our region is lucky enough to have had some very dedicated people willing to act as our archivists over the years, which results in us having a very rich record of our history available. Our lives in dozens of boxes, file cabinets and thousands of pictures, magazines, and left over trinkets from events, not to mention thousands of event entry forms, waivers, and some amazing correspondence from the earliest members of our club, discussing the region's formation and earliest workings. This material reveals some rocky starts, spirited debates, and a lot of the same concerns we talk about today, namely the numbers of events per year, issues of club revenue, and membership number worries. But the thing it most showed me was that our true history is that we have always been a community of friends and family, working together to promote the love of cars and motor racing.

While I am relatively new to the club, having only been a member for 12 years, I was lucky enough to have Brian Mushnick along with me on this expedition, which was mounted as a first review of our records, with an eye on how best to curate what we have and make our rich history more accessible to the members. Brian was able to put a lot more names to faces for the hundreds of pictures we looked through. These pictures painted a picture of the continuing membership through the years of many of the most recognizable names in our club, names such as Goodale, Goddard, Barnes, French, and many others. There were as many pictures of social events and apres-race as there were of cars on course, as many pictures of workers and volunteers as of competitors. There were pictures of countless children in these images, many of whom are grown women and men, members and competitors in our club today!

The correspondence between the officers of the club in our early days, in the 1950s and 1960s, display an earnestness to help grow the fledgling club into a true leader of the motorsports world. So many of our members have gone on to professional motorsports, including a number that have participated in our regional events, and are reflected in our entry forms, membership lists and results sheets. All of those members started exactly where many of us are today,

IN MEMORANDUM

JIM POOR

James C. Poor, 80 of East Granby, beloved husband of the late Jan Poor, passed away Friday, May 6, 2016 after a brief illness. Son of the late George Washington Poor and Dorothy Cramphorn Poor, Jim was born on June 8, 1935 in Medford, MA. He spent much of his childhood in Southport Island, Maine where he attended primary school. Jim returned to Massachusetts and

graduated from Medford High School. He went on to graduate from Tufts University with a bachelor's degree in mechanical engineering and later furthered his education by earning his MBA from The University of Hartford. Jim retired as the Vice President of Engineering from Spencer Turbine Company in Windsor after a rewarding 30 year-long career.

It is the nature of getting older that you have to see the permanent fixtures and heroes in your life pass on. Jim Poor was a big one for me. Jim was the Regional Executive of NER way back in 1973 when I first found the club. He had just recently stopped racing his TR3 in E Production and put his efforts into making this a better club for all of us. With his energetic wife Jan by his side he kept making those efforts all these years. He was a calm steady force for good and always with a touch of class. We are richer for his presence and poorer for his passing. —Dick Patullo

One of his greatest passions was car racing, and he was an honorary lifetime member of the SCCA (Sports Car Club of America) and the New England Region.

Jim served many capacities of the club after retiring from Racing an E-Production TR3 in the early seventies. Jim was a member of the competition board for many years as well as serving on the board as well as RE for a term. Jim and his wife Jan could always be found working in one capacity or another at all of the NER Road racing events held at NHMS or Lime Rock Park. His wife Janet, Predeceased Jim, by a few years, could always be found at competitor registration.. Jim was never far behind! Interesting, Janet and Jim's life were originally united when they met at the Bonnet and Boot Sports Car Club in Wallingford, CT. The happy couple married in 1965 and shared an incredible life together.

Jim is survived by four children, Rita Daves of Windsor, Rick Rome and his wife Lynn Despard of Enfield, Roger Rome of East Granby, and Randy Rome and his wife Kelly of

Granby. In addition to his wife Jan, Jim was predeceased by his son, Jeffrey Poor; a granddaughter, Tricia; and a sister, Leona Craig.

CATHY HALLABECK

You always knew when Cathy Hallabek was on the grid. The educator in her was obvious as she checked every car; missing wrist bands, outdated helmet stickers, forgotten tech stickers--nothing got by her. She was a quiet force we all depended on.

There's an irony here. When her husband, Ed, started on the grid in 1999, Cathy wouldn't step foot in any paddock. She wanted no part of it. She wouldn't even let Ed include her in his membership. Ed persevered, and gradually she did enter the paddock--far far away from the grid. More persuasion, and eventually she would actually sit on the grid as a member, observing.

Somehow, Ed finally got a grid sheet in her hand, and she became a master at gridding cars. And was adamant that she would not carry it any further. Until that day when she agreed to do backup (before we did the rolling pace laps we do now, the field would stop behind the pace car until the grid was empty. The backup person ensured all lined up and the pace car and field were rolled.)

IAN PROUT

SCCA Member and president founder of the Sports Car Driving Association, Ian Prout of Deep River, Connecticut passed away on April 9, 2016. Born on March 30, 1972, in Greenwich, Connecticut, Ian spent his childhood in Essex riding his bike, playing and laughing with his sister and friends, and enjoying his summers surrounded by the natural splendors of the Connecticut River. His generosity and beauty of spirit were evidenced in all he did. The Sports Car

The Poor (RE 1973) receives an award of appreciation from the RE, presented by Eric Anderson, NER's Regional Executive. Jim's wife, Jan, proudly congratulates him. Photo: Amy & Cil Spahn, Bridge Hill Studio.

1976, Back Cover of PIT TALK, Annual meeting, Jim is recognized for all the accomplishments he has done for NER by RE, Eric Anderson, while Jan proudly looks on. Photo by Amy and Cil Spahn, Bridge Hill Studio and within the Pit Talk Archives.

Cathy Hallabeck with her husband, Ed.

And that was IT. All she was going to do. Period.

Well, until she began splitting (sorting the field into two-by-two order as they exited the grid. It's a dance between a worker and the

drivers, and an exhilarating one). And her favorite group to split? Big bore. Big, heavy, ground-pounding machines.

Cathy was quiet and reserved, a note of sanity amongst the crazier of us on the grid. She was a constant, a dedicated, hard-working woman with a sly sense of humor not everyone was privileged to see. Mere adjectives don't do her justice: dedicated, constant, detail-oriented, hard working, extremely loyal, intelligent, humorous- to name but a few.

She lost her battle on June 20th, surrounded by her family. She leaves her husband, Ed, daughters Nancy and Wendy, sons-in-law Walter and John, and beloved grandchildren Nora, Nathan, Jenna, Amber, and Matthew. NER lost a woman who personified the best in race volunteers, and the grid lost a very dear friend.

The link to the obituary is: <http://www.legacy.com/obituaries/newstimes/obituary.aspx?pid=180407633>

Driving Association. His business gives people of all abilities and backgrounds the opportunity to enjoy the thrill and fun of driving their cars on the most prestigious race tracks in New England in a safe and controlled environment. The friendships and bonds that were formed through more than two decades spent masterfully building and nurturing his business will be just one more of Ian's glorious lasting legacies. Ian's favorite passion was using his infinite talent to race cars, win races, and set track records, racing anything from Miata's, Formula C VanDiemen's to a H-Production Mini Cooper.. He delighted in giving his signed checkered flags to his niece and nephew. He holds five lap records at three different tracks, including his all-time favorite track, Watkins Glen, as well as at Lime Rock Park and Thompson. The thrill and pride he brought to his family, both on and off the racetrack, are etched permanently in their hearts.

To share your memories of Ian with his family, please e-mail IanProutMemorial@gmail.com. To honor his indomitable and magnificent spirit, we invite you to make a gift to your favorite charity or to The Ian Prout Legacy Fund which will expressly support people aspiring to follow their dreams of racing as well as those in need of emotional support in this precious and beautiful life.

Details on The Ian Prout Legacy Fund will be forthcoming at www.scd1.com.

RAL WEEKEND JULY 22 AND 23, THOMPSON SPEEDWAY MOTORSPORTS

Members start your (fundraising) engines! Our annual Race against Leukemia (RAL) weekend is just around the corner. Last year's RAL was a huge success raising over \$15,000. What a truly heartwarming display of our member's generosity, compassion, and drive to support the need to cure childhood cancer!

RAL was established 26 years ago when our fellow NER member, Danielle Moehring, was diagnosed with Leukemia at the age of 3. Today she is healthy and remains an enthusiastic member of our club. We encourage you to participate in the activities of the weekend to help support Research and Development for the cure of childhood cancer.

While every race weekend is packed with excitement, RAL has additional activities that you don't want to miss! The weekend will be filled with festivities to help raise money to find a cure for childhood cancer. Here are a few examples:

TRACK RIDES: Come to pit lane at lunch to ride passenger at speed with pro-drivers Nick Leverone, & Raymond Blethen ...the cars to choose from are the Blethen's Mazda RX-8 or a Flatout Motorsports Spec Miata.

FUNDRAISING: How can you fire up your fundraising efforts? Let your friends, family & co-workers know you are Racing- For- A- Cure. More information about the fundraising link will be coming soon. Contact Jody Leverone for more information 401-486-6911 or jodyleverone@gmail.com

LIVE MUSIC: Come join the festivities on Friday night after the racing is over! Enjoy dinner, drinks & live music performed by The Addis Revolution.

RAFFLE: We will be holding a charity raffle during the event featuring prizes generously donated by local businesses, including an exotic car driving experience, golf passes and more!

As a bonus, the Raceway Golf course is donating a four-pack of tee times, and the Exotic Driving Experience at Thompson will be donating a 5-lap autocross package.

Camping sites are available at the track.

How can you fire up your fund raising efforts? Let your friends, family & co-workers know you are Racing- For- A- Cure. Or, Would you like to include a donation or an item for the raffle. Go to <http://www.firstgiving.com/ummf/2015NERSCCARacingAgainstLeukemia> to begin raising funds. Contact Jody Leverone 401-486-6911 with questions.

New England Region, Sports Car Club of America, Inc., Board of Directors Meeting Minutes

January 13, 2016

The Board of Directors met at the Fairfield Inn Auburn, 718 Southbridge Street, Auburn, MA.

Present: Wiley Cox, Chris Regan, Doug Myers, Dick Patullo, Kathy Barnes, Trevor Hermance, Paul Zahornasky, Bill Gendron, Paul Krysiak, Brian Mushnick, Sterling Cole and Elizabeth Winiarz (secretary) and John Ferreira (treasurer), Jessie Honigs, Raymond Blethen, James Ray, Rochelle Ray, Jamie Dzencelowcz.

The meeting was called to order by Wiley Cox at 7:36 pm.

Minutes: Minutes of the December 9, 2015 meeting were approved. (Zahornasky/Gendron)

Treasurer's Report: John Ferreira submitted the balance sheet as of December 31, 2015. John is preparing for our annual meeting. Signature cards for TDBank will be available at the AGM for signatures. Treasurer's report was accepted. (Mushnick/Regan)

Program/Specialty Reports:

Club Racing: Dick Patullo reported that one of the trailers has been sold. Next Club Racing Board meeting will be held at the AGM.

Rally/Rally X: This coming weekend will be the season opening event at Canaan. Confirmed that the 2 generators were purchased.

RallySprint: will be held at Tamworth in February. It is open to all SCCA sportscars with ITE spec cages as long as they meet safety regulations. Planning for at least two RallySprint events this year

Solo: Contracts for Devens have been signed for 2016. No National Tour this year. They are doing Starting Line and teaming with BMW to do EVO.

Membership: Paul Krysiak submitted his report.

NER Members Jan 4, 2015 2280
NER Members Feb 11, 2015 2322
NER Members March 25, 2015 2358
NER Members April 8, 2015 2342
NER Members Aug 11, 2015 2441
NER Members Oct 14, 2015 2476
NER Members Nov 11, 2015 2470
NER Members Dec 8, 2015 2434

NER Members Jan 13, 2016 2417
New members Dec 1-31, 2015 19
Expired members Nov 1-30, 2015 35

We peaked in October, up 196 members from the start of the year. We end the 12 month period with an increase of just 137 members, a bump up of 6%

Merchandise: no report

All program and Specialty Reports were accepted (Regan/Zahornasky)

Old Business:

Election: Notice of Annual Meeting and Election has been sent out. Ballots may be filled in at the Annual Meeting, a ballot may be requested by mail or as an e-ballot.

Budgets

Board of Directors Budget was approved at \$50,050.00 following amendments. (Mushnick/Regan)

Annual Meeting needs more advertising. We will repost on Facebook, send a constant contact message and in the future perhaps send out a flyer announcing the winners and what awards will be presented.

MOTION: (Zahornasky/Regan) moved to maintain the dues for 2017 at current levels:

\$25 for individuals, \$25. For families, free for military

All were in favor

New Business:

Club Racing Budget: Bill Gendron wondered if there are efforts to bring in new members. Jessie added that CRB meetings are streamed live. Word about that needs to get out to members.

Dave Belden was a member of our region for 50 years. The board voted to allocate \$250.00 to support the Motorsport Research Library at Watkins Glen. We will send a check to the SCCA Foundation and earmark that donation for the Motorsport Research Library in memory of Dave Belden (Gendron/Myers) All were in favor.

Rob Laverty's father passed away this week.

Our secretary will send a sympathy card to Rob.

At 8:50 Wiley Cox moved to enter executive session not to return.

Meeting was adjourned.

Submitted by Elizabeth Winiarz, Secretary

March 9, 2016

The Board of Directors met at the Fairfield Inn Auburn, 718 Southbridge Street, Auburn, MA.

Present were Regional Executive Wiley Cox and Directors Trevor Hermance, James Ray, Jessie Honigs, Brian Mushnick, Derek Sivret, Doug Myers, Bob Anderson, Theresa Condict, and Sterling Cole. Also in attendance were Membership Chair Paul Krysiak, Treasurer John Ferreira, Club Racing Chair JB Swan, Dick Patullo, Kathy Barnes, and Liz Winiarz

These minutes may not be in chronological order.

The meeting was called to order by Wiley Cox at 7:39 PM.

The Directors reviewed drafts of the Meeting Minutes for the month of January. A motion was made to approve the January minutes as presented (Anderson/Mushnick) **PASSED**

John Ferreira presented the Treasurer's report. Accounts are all but moved to TD Bank and will be turned on this week; John will be seeking the comptrollers' preference for checkbooks. The possibility of setting up a web-based accounting package for the club's comptrollers was investigated, but may be too pricey. Applications have been submitted to the nonprofit users' association, with an acceptance already arriving from the Microsoft donation group, with an acceptance from Intuit hoped for soon. Online services through this avenue should be more affordable. An initial submission of our 2015 taxes has been made.

A motion was made to accept the treasurer's report. (Hermance/Myers) **PASSED**

JB Swan reported that Club Racing has completed the sale of all three of the previous small equipment trailers. Pig Park BBQ will

indeed be able to return as provider for the reborn Pig Roast weekend at Palmer. Signatures will soon be on contracts from NHMS and Lime Rock. There will be a CRB meeting on March 25th.

Wiley Cox shared on behalf of Scott Carlson that the Rally program has little to report in part thanks to the unseasonably warm weather canceling several events.

Kathy Barnes reported on behalf of Bob Davis that Solo has completed the whole-season Devens contract, secured insurance and sanction requests, and forwarded the season base payment for the site rental, with MotorsportReg to open soon for all events. Equipment will be checked and prepared on March 26th. The program will also again be providing volunteer and equipment support to the Formula Hybrid event at New Hampshire Motor Speedway in early May.

Paul Krysiak delivered a membership report. Currently the region has 2436 members which includes 47 new members in February despite 58 expirations in January. Fifty-year recognition awards have been distributed.

Sterling Cole and James Ray provided an update on the renewed effort put into the region's social media and online presence/outreach. The potential for directing interested new drivers to people offering services/cars/rides at our events was discussed.

A motion was made to accept the reports as delivered (Cole/Anderson) **PASSED**

Attendees of the National Convention who were present recapped the news and developments that were announced and worked on at the event out in Las Vegas.

SCCA National is developing a unified website system that within the next couple of years the region would be likely to move to. An in-house timing, registration, and membership integrated system is undergoing development and is a goal for the club nationally. The Information Technology department has seen some adjustment in staff positions that should keep things moving, and more quickly. The Experiential Programs group is also going to debut a new touring, "targa rally"-type program that ties together Solo, Time Trials, Track Night, etc. along a route or geographic area. This type of event would fit well in New England with our size and wide scope of established programs. Dick Patullo explained how the Bracket Enduro program will have more events run in different regions this year. Additionally, some networking took place in preparation for our continued effort in the two Street Survival events in Stratford and Thompson, CT.

The upcoming expansion to 12 Track Night in America events was examined; the region must strive to have knowledgeable ambassadors in attendance actively speaking with and guiding these new participants into our own programs and volunteer positions.

A discussion was made about updating the Ops Manual. Trevor Hermance volunteered to look at proposing contextual and modernized updates e.g. **Pit Talk** publication schedule, program titles, to be reviewed and approved at an upcoming board meeting.

Kathy Barnes presented some New Business as she has just been contacted by the National Office about a corporate event they have been contracted for to provide instructional services this summer at Mohegan Sun's lot. This three-

day event (June 23-25) would require five of our qualified, experienced members to be paid right-seat instructors, and so the board must decide whether this event has the region's approval and assistance. Kathy received approval to seek commitments for this from appropriate members.

A motion was made at 8:59 to adjourn open meeting to go to Executive Session, not to return to open session. (Cole/Mushnick)

Respectfully submitted,

Trevor Hermance, Secretary

April 13, 2016

The Board of Directors met at the Fairfield Inn Auburn, 718 Southbridge Street, Auburn, MA.

Present were Regional Executive Wiley Cox and Directors Trevor Hermance, James Ray, Jessie Honigs, Brian Mushnick, Doug Myers, Bob Anderson, and Theresa Condict. Also in attendance were Membership Chair Paul Krysiak and Kathy Barnes.

These minutes may not be in chronological order.

The meeting was called to order by Wiley Cox at 7:44 PM.

The Directors reviewed drafts of the Meeting Minutes for the month of March. A motion was made to approve the January minutes as presented (Anderson/Mushnick) **PASSED**

On behalf of John Ferreira, Wiley Cox presented the Treasurer's update. The new TD Bank accounts are active and have money in each for the respective programs loaned from the general fund. Access details are being sent to the comptrollers and they should have their checkbooks within a week.

Wiley Cox shared on behalf of Scott Carlson that the Rally program has little to report but is ready to hold its first RallySprint and second RallyCross in the next two weekends.

Wiley Cox shared that Solo is ready to start the 2016 season with a fully subscribed Starting Line school on Saturday and a points event with at least 110 entries on Sunday at Devens this weekend.

Trevor Hermance was told by Donna Stevens that she would have the Merchandise program out at Devens in the upcoming weekend and also at the preseason Club Racing tech

Racing Rentals • Arrive and Drive • Competition Preparation

Flatout Has Moved To A Larger Facility..To Serve You Even Better!

To serve you and our loyal customers, we found ourselves needing more space for our large fleet of rentals, customer cars, and service area. That we have done!

We've moved to a new 16,550 sq ft. facility in Mendon, MA.

You'll still find our expert services that includes:

- 2WD Dyno tuning
- Alignments and corner balancing
- Transmission rebuilds
- Installs/performance upgrades ... and, much, much more

Whether it's general maintenance or a performance upgrade for your project car, FOM Automotive has

the experience and equipment to take care of whatever you need. We specialize in Mazdas, Hondas, and Toyotas but have also worked on everything in between.

NER RALLY-X CHAMPIONSHIP

Rochester Rallycross April 23, 2016, Event #2

By: Scott Carlson

After a lackluster winter with above average temps, low snowfall and cancelled rallycross events, NER rallycross got back into action with 69 entries for the RX at Rochester Fairgrounds. This venue is one of the reasons why the RX program is growing. There are very few rocks, the stone dust horse track provides great traction and the loose infield surface is great for making plumes of dirt that help create dramatic action shots of the cars and drivers navigating the course.

This venue is one of the reasons why the RX program is growing...

It was a cone killing kind of day. The course was tight and technical and people must have been expecting less grip than what was there. The radio traffic for cone calls to and from the timing workers was non-stop. It has me thinking of ways to reduce the number of penalties by making the penalties worse, but time seems to be of no consequence to some so I'm exploring new options. (and accepting ideas)

There was great racing to be had and the action was spread throughout the field of racers. It really is amazing to see how close some of the competition is in each class. A big "Thank You" is in order to all those who helped out to make this a successful event. It is a lot of work to get 69 cars through 7 laps at Rochester. Let's get to the results and see who brought home the glassware.

Stock FWD- Luke Horrocks finished on the top of the podium in a 1997 VW GTI. Luke had a 9.3 second margin of victory over Ryan Moyes in his Mitsubishi Eclipse. Garnett Hayes finished 3rd in class 5.0 seconds behind Ryan. (5 Cars in class, 28 total cone penalties)

Stock AWD- Kris Camire drove a 1998 Subaru Impreza OBS to a 8.7 second lead and bested Eric Miller in a 1997 Impreza. Jon Smith took 3rd in his 2002 WRX another 8 second back of Mr. Miller. (9 cars in class, 74 total cone penalties)

Prepared RWD- A lone entry in PR led to Tony Cafiso finishing first and last in class. That means another VW on top of the podium. This was a 1972 Beetle and a very handsome rig as well. Thanks for bringing out the air cooled machinery. I hope to see it back at another event this season. (1 car, 4 total cone penalties) The anonym-

Always great to have something unique show up... This months fun car was Tony Cafiso's VW-Bug "Dune Buggy" All photos: Douglas Bolduc, DaggerSlade Media

Daniel Downey drifts his Subaru to a sixth in AWD-Modified.

NER RALLY-X CHAMPIONSHIP

Mt Snow Rallycross, May 18, 2016 Event #Three

By Scott Carlson

The day started early with some raking to smooth a couple of the critical "High Traffic" areas in "Lot E" at the base of Mt. Snow's Grand Summit Hotel and Conference Center. Thanks to those who volunteered to get some yard work in before racing, all 52 drivers and their cars appreciate your efforts! The course was laid out, the cars registered, through tech and all the safety and timing equipment was in place for an 8:40 drivers meeting. Thank you to all who took part in getting all that done, thank you.

So, we had a group of 52 folks who came to drive their rigs on the gravelly course in "Lot E" to see what would happen. The weather was fantastic, cool and overcast. The competitors who would be driving in Run Group 1 were all the AWD class drivers. The 2nd Run Group was all the FWD and RWD class drivers who would work the course first.

The morning consisted of 4 laps for each driver in both run groups. In the afternoon each driver got 5 laps to try to hold onto a lead or catch the next driver up the leader board. The behavior exhibited by the competitors during the day led to some great racing throughout the field, throughout the day. It also led to quick course changes, fast Run Group swaps and very few issues that delayed the action on course. The following results are for the top finishers in each class by fastest car in class's E/T by run group.

The behavior exhibited by the competitors during the day led to some great racing..

Run Group 1:

Stock AWD- (9 drivers) The top 3 drivers in SA finished within 10 seconds of each other. Jon Smith had a .24 second lead in the class over Brennan Smith in their shared Bugeye WRX wagon at lunch time. Ryan Wandas's Mitsubishi Galant VR-4 was just a few second back of

Brennan at lunch in 3rd place. All 3 drivers would change position in class in the afternoon. Jon wound up 3rd, Ryan laid down some fast afternoon laps to finish 2nd just 3.7 seconds behind Brennan who tore it up in the second half despite hitting cones on each of his last 3 laps. Do you call that a Subaru Podium Sandwich or a Mitsubishi Podium Sandwich? Either way, the Mistu spoiled a Subaru Sweep. And, that's why you don't give out trophies at lunch time. Congrats to Brennan Smith on his first class win (I think) that came with an E/T of 600.220 seconds.

—continued on page 21

Mt Snow uniqueness in vehicles had to go to Bruce Turk's vintage Saab 96. It may be vintage but Bruce still drives it hard!

Dan Laurence took top spot in Modified -AWD by less than a second in the combined 8 runs. All photos: Douglas Bolduc, DaggerSlade Media

Rochester Rallycross— continued from page 15

ity is lost here, sorry Tony.

Prepared FWD- Hal Denham borrowed a 2015 Ford Fiesta ST and proceeded to win PF by 5.5 seconds over Sam Annis-Brown in a 1989 Honda Civic Si. Dmitry Beliaev wound up 3rd in his Fiesta ST, just 1.8 seconds behind Sam. (9 cars in class, 84 total cone penalties) Cones cost some championship points in this contest.

Prepared AWD- Cliff Kangas ran his 2000 Subaru Impreza RS to a 10 second victory over Adam Brodeur whom also ran Cliff's Impreza. Third in class was Chris Regan in his 2008 Porsche Cayenne GTS. (That's right, Porsche Cayenne GTS) 14.5 seconds behind Adam B. (6 cars in class, 41 total cone penalties)

Modified FWD- Scott Carlson drove his 1998 VW golf to a 12 second win over Phil LaMoreaux in the same car. 3rd place was Patrick Munhall in his 2005 Mini Cooper S just a tick over 10 seconds behind Phil. (12 cars in class, 52 total cone penalties)

Modified RWD- Mod rear was the battle of the day. The top 6 drivers had a chance at taking the top podium spot. Dan Downey wound up taking the top spot in his 1987 BMW 325is by just 2.38 seconds over Vaughn Micciche's 1987 Porsche 924S. Andrew Chucta took 3rd place in a 1987 Mazda RX-7 just 0.626 behind Vaughn's Porsche. Did you get that? The podium was swept by cars built in 1987. (12 cars in class, 143 total cone penalties) Did you get that? 143 total cone penalties.

Modified AWD- The 2004 Subaru STI driven by Emmanuel Cecchet took top honors in MA by 2.8 seconds over Benjamin Chuong's 2000 Impreza. Third place

was the 1998 Audi A4 of John Laakso who finished 6.257 seconds back of Benjamin's Subaru. John also gets kudos for hitting only 1 cone in his luxury car. (12 cars in class, 99 total cone penalties)

The gold star awards for this event (this award does not exist) goes to those who did not hit a cone during the whole day. Scott Igo, (1998 Ford Escort ZX2) Scott Carlson (1998 VW) And last but not least, the only AWD driver to stay clean all day.....TJ Pullen (1998 Subaru Impreza OBS). Well done. There were also a handful of drivers who hit only 1 cone James Curtis (Mazdaspeed 3), Pat Munhall (2005 Mini), Jacob Perkins (2000 Lexus Potato), Andrew Chapin (Owner of the aforementioned Potato), and John Laakso (1998 Audi). You almost won an award that does not exist.

The other imaginary award for the day goes to Shawn Hart. (2004 Nissan 350Z) The course in the afternoon included a single pass through a circle of upright cones 40' in diameter with a gate to enter, a single cone directly in the middle and another gate to exit. Drivers had to execute a full 360 degree lap of the center cone before leaving the circle. Shawn killed it. Nice job. It looked like more fun in a RWD car than it was in a FWD car.

The RX program will be back at Rochester Fairgrounds in October for a fall event on 10/22/16. If you didn't make it to this one, try to make the fall event. It will be a good time and you may win an award that does not exist. Rally on!

Ryan Moyes takes a break from his Eclipse and checks out the course.

Mt Snow Rallycross— continued from page 21

Modified AWD- (12 Drivers) Top 3 in MA at the end of the day were within 6 seconds. The top 6 drivers were within 11 seconds of each other. This class had some great racing over the course of the day. After the first lap, Dan Laurence in a 2002 Subaru Legacy Wagon (N/A 6 Cyl.) found himself in 8th place. After the next 8 laps, Dan took home the top podium spot by turning some tidy laps and only getting a single cone all day. Dan won by .962 over 2nd place Ryan Wilcox in his infamous 1996 Impreza OBSTi. (N/A 4 Cyl.) 3rd place was Nicolay Nemchuck in the noseless 2009 WRX wagon just 4.9 seconds behind Wilcox. 4th through 6th was close racing as well but Dan Laurence set the pace in MA with an E/T of 576.849. (Some sad news about Ryan W.'s OBSTi, it may have met its demise at STPR after some not so subtle contact with an ash tree)

Prepared AWD- (7 drivers) The fastest AWD class of the day. Cliff Kangas set the pace in his 2000 Impreza RS coupe. Cliff was feeling under the weather and it could have been caused by Adam Brodeur keeping the pressure on. Adam kept him on his toes all day long in a borrowed 2004 WRX wagon (thanks Kathy Moody). Adam had been clean until he hit a cone on each of his last 3 laps and finished just under 5.4 seconds behind the Finnish Line Farm/North End Subaru Driver Development car of Kangas. Cliff's E/T was a very quick 567.327 and there was a good race for the rest of the class in

PA. Gotta be fast to win against these folks!

Run Group 2:

Stock FWD- (3 drivers) Scott Igo's Ford escort ZX-2 suffered mechanical issues and DNF'd after the morning laps. Luke Horrocks's Mk 3 VW GTI had a mechanical issue, didn't finish a lap during the morning but he finished 2nd in class after completing all the other laps after getting the issue sorted. Eric Rucki drove his 2002 Toyota Avalon to the top podium spot in SF with an E/T of 766.092. Congrats on the win Eric!

Modified RWD- (3 drivers) In a rare change of events the MR class was small. Still, it was quite diverse. 3 Drivers and 3 manufacturers. The 1969 Mercury Cougar of Dylan Godyke did not complete the day to the dismay of everyone at the event. It is a crowd favorite and from what I understand, it makes more than me feel like I'm watching someone trying to outrun Roscoe P. Coltrane in some parallel universe to Hazzard County where Mercury was the weapon of choice for bootlegging shine. Kevin

Tied for uniqueness with the Saab was the '67 over-steering Cougar of Dylan Godyke. Fun for all!
All Photos, Douglas Bolduc, Daggerslade media

finished 2nd just over a minute behind the 1987 Porsche 924S of Vaughn Micciche who had an E/T of 604.914. Kevin also informed the crowd that Vaughn's Porsche could be parked comfortably in the bed of his Tacoma.

Prepared FWD- (8 drivers) PF was a well attended class with 8 drivers going for the win. After the morning laps you could tell it was going to be a good race. At the end of the day the top 3 would be less than 5 seconds apart. Chang Ho Kim brought his 1995 Honda Del Sol home in 3rd place just .098 seconds behind Erik Carlson in a borrowed 1998

Dodge Neon. The Win went to The owner of 2nd place, Carlson's ride, Mike Lodsin, who set the pace with a 563.849 E/T and stayed clean all day! Nice work, Mike and congrats

on putting the Mopar on the top of the podium.

Modified FWD- (8 drivers) MF consisted of 2 VW's, a Ford, a Mini and a 1961 SAAB 96 rally car. The SAAB belongs to Buce Turk and it is an amazing car that is also a crowd favorite when it is brought out to play in the dirt. MF wound up being the fastest group of the day with the top 3 in MF being the lowest E/T's overall for the day. Patrick Munhall drove his 2005 Mini Cooper S to third with a 562.551. Jacob Perkins Drove the borrowed Half Fast Rally VW Golf to second place (556.119) and Yours Truly flogged the red VW to first place with an E/T of 539.685.

The Mt. Snow Rallycross awards were given out in Harriman's Restaurant up in the Grand Summit Hotel which is a great place to talk over the day's highs and lows. I can't say thank you enough to everyone who goes above and beyond to help this region put on some great rallycrosses. Even though we missed a bunch of the winter events, this season is shaping up to be a good one. I can't wait to see what goes on at the next one! Hopefully we will get some more new folks to come out and see what all the action is about. Rally on!

Jacob Perkins usually drives a black Nissan Sentra, but at Mt Snow had the privilege of driving Scott Carlson's and Phil Lamorueax's Golf.

RE Report— continued from page 3

attending regional Solo, RallyCross or Club Racing events. As one of the earlier clubs in SCCA, the New England Region has set many milestones inside the National SCCA umbrella, and the letters with questions to our officers from other regions asking for help and guidance, as well as offering congratulations for our programs' success, reflect the great work and accomplishments of our region.

Most importantly, the over-arching sense that I got from all records of the history we have saved for our future members is this: The New England Region has always been a club of enthusiastic friends, who gather to compete, but always come together to help each other celebrate the victories some of them have achieved, or come together to help others who need assistance to race the next day find the parts and tools to get their cars going for the next day's events.

We hope to be able to provide more information in the coming months in regards to what our archives hold, and to be able to start making their contents available to all members within the region. I look forward to being able to share our inspiring, sometimes hilarious, and always interesting history with you all.

-Wiley Cox Regional Executive

Pit Talk Needs Your Photos and Articles

You'll note we are a little heavy on results this month (although, results are always a great asset to **Pit Talk**, both for the participants and archiving!)

As Editor I can't help but notice many photos of our events and anecdotes are posted on Facebook...(and classifieds on Craigs list and ebay!) Why not submit to **Pit Talk** as well.

Feel free to sent your photo or story forward where we can give you a few kudos, and even if its just right, the Cover photo of the publication! Writing skills, don't worry, that's what we have spell guard for, and an editor, too. Share an event with the rest of the New England Region readership, or your favorite story, an anecdote, a "trailer" story, even a press release. We're here to represent and share the many fun activities of the New England Readership.

..and don't forget to submit your classified to **PIT TALK** we run your sale for FREE (no dealers please, and must be a NER member) and a photo in color. Just e mail the editor(bob@beaulieudesign.com) with your submission.

Hope to hear from you in the near future,

NER BOD Meeting Minutes — continued from page 7

inspection one week later.

Paul Krysiak delivered a membership report. Currently the region has 2432 members which includes 48 new members in March despite 41 expirations in January. The Winter Challenge Rally generated 22 Weekend Memberships.

Kathy Barnes reported for JB Swan that Club Racing has opened registration for the season opener at Palmer Motorsports Park. Entries are coming in slowly but a late surge is expected, especially if the weather forecast is good. This event is still utilizing MotorsportReg.com but it is expected that the club's new in-house registration system upgrades should be ready to try soon. She also brought up Racing Against Leukemia and reminded the board that proper effort needs to be put forth for successful fundraising to occur, especially with the date and location changes the program has undergone. One thought for an activity is a golf event paired with Thompson Speedway's club races.

Wiley Cox added that Club Racing's contracts for Lime Rock and Palmer have been completed.

A motion was made to accept the program reports as delivered (Anderson/Mushnick) **PASSED**

James Ray provided an update from the Communications Committee. The sharing of inspirational and exciting NER-related public posts from our own membership and groups will be important as the season of events gets underway.

Wiley Cox cautioned that the potential Street Survival event dates at Thompson conflict with our Solo schedule, so there would need to be an effort to seek volunteers/instructors from other areas.

Discussion of NER's archives continued; Ed Valpey is interested in a storage unit visit with board members to start sorting out what should be kept and then where it should go. Several board members are interested in finding a date to assist.

Theresa Condict and Wiley Cox discussed how the club has engaged with Connecticut Autocross and Rally Team (CART) and its 100 members about joining forces for non-competitive track days/PDX. About 25% of their membership is track-focused rather than autocross-oriented, and have expressed interest in becoming a chapter of NER. Their membership is looking to hold events at Thompson and Palmer.

The 12th Track Night event, the new TrackPass, was announced at Lime Rock and registration is opening this week.

Jessie Honigs is prepared to meet with Grand Prix of Boston officials early next month to nail down details of the region's responsibilities in the event and details pertaining to our workers provided.

A motion was made at 9:03 to adjourn open meeting to go to Executive Session, not to return to open session. (Anderson/Mushnick)

Respectfully submitted, Trevor Hermance, Secretary

Next meeting will be held on Wednesday, May 11, 2016 at the Fairfield Inn Auburn, Auburn, MA at 7:30 PM
